ABOUT US

"Maratha Mandir" a renowned charitable organization, based on the rock solid philosophy of altruism has been at the forefront of an all inclusive spectrum of academics, technology, social, cultural, health care activities, etc. since its inception way back in 1940's. **Maratha Mandir's Babasaheb Gawde Institute of Technology** occupies the pride of places and is one of the prime and most sought after technical Institutes in and around Mumbai. The Institute has so far motivated the budding engineers to participate in myriad activities like Project Competition, Quiz Competition, Inter College Performing arts, etc. It has been an enriching journey in terms of development, growth and experience. One can safely predict that it would emerge as incandescent and competitive as its vibrant predecessors. The organizers are now more experienced and amply equipped to handle the demands and impacts of events of such magnitude.

VISION OF THE INSTITUTE

"To Impart quality education, inculcating ethical values and spirit of teamwork to foster development of innovative and successful professionals"

MISSION OF THE INSTITUTE

- **To provide a quality education.**
- **To prepare students for success in professional practice & advance studies.**
- **To promote research in collaboration with industry and pursuit of scholarly activities by the faculty.**
