Success is a Journey not a Destination

Everybody wants to succeed in life. For many it is the name, fame and social position. Whatever be the meaning of success, it is the success which makes a man immortal. The only way to succeed in life is to work hard and people who do not work hard end up being unsuccessful individuals.

We grow by dreams. All big men are dreamers. Failure doesn't mean that we have abandoned, it does mean we must have another idea. The secret of success is in two words—"Right decisions". And we make right decisions by our experience and we get that experience by two words—"Wrong decisions".

Eventually, Sing your song, dream your dreams, hope your hopes and pray your prayers. Don't let anyone to steal your dreams. Follow your heart. Focusing also works with your power of thought. Try it and ignite your wandering ideas. Simple truths are timeless. It's only the half-truths guided by external realities that change. Sticking to the eternal calling of your heart is the surest way to happiness and success always!

-Tejeshwar. C. Khandelwal (MMS- I, A19)

Maratha Mandir's Babasaheb Gawde Institute of Management Studies

Maratha Mandir's Babasaheb Gawde Institute of Management Studies, popularly known as MMBGIMS is today one of the premier management institutes in Mumbai, the commercial hub of the country. Institute has always been in the forefront of socio-technological advancement. The Institute offers two years full time Master in Management Studies (MMS) course affiliated to the University of Mumbai & PGDM course approved by AICTE, New Delhi. Within a few years from establishment, MMBGIMS has gained reputation as a leading management institute offering quality education. ***Our MMS student stood FIRST in the University of Mumbai examination held in May 2012 & was felicitated by the Vice-Chancellor of University of Mumbai on 17th September 2012.*** The Institute fosters an environment of academic excellence. Its open and competitive culture enhances the academic and social participation of students. The delivery process of knowledge adopts a holistic approach rather than just industry-driven perspective. This leads to the creation of more ethical, value driven future decision makers.
