**Report on Alumni Engagement for Final Project Viva – Batch 2023–2025**

## **Introduction**

Maratha Mandir's Babasaheb Gawde Institute of Management Studies (MMBGIMS) invited four esteemed alumni to conduct the Final Project Viva Voce for the Batch of 2023–2025 on 5th April 2025. This initiative aimed to enhance alumni engagement and strengthen students' practical and corporate knowledge.

## **Objective of the Event**

- To foster active alumni involvement in academic activities, especially in evaluating students' domain knowledge through project vivas.
- To provide students with exposure to real-time industry expectations and feedback.
- To encourage a culture of constructive evaluation by experienced professionals who understand both academic frameworks and corporate requirements.
- To build lasting professional networks between current students and alumni.

## **Learning Outcomes & Feedback Highlights**

The event proved to be highly beneficial, as students gained valuable insights into applying theoretical knowledge in real-world scenarios, improved their communication and presentation skills, and understood industry expectations better. The alumni shared their career journeys, motivating students toward excellence. Feedback from both alumni and students highlighted the event's success in bridging the gap between academia and industry. Alumni appreciated the opportunity to contribute to their alma mater's academic process and suggested more frequent interactions, including mentorship and networking opportunities. The students found the experience enriching, with many expressing how the alumni's approachable demeanor made the environment comfortable for meaningful discussions. Overall, this initiative successfully strengthened the relationship between alumni and the institute, and MMBGIMS is committed to continuing such activities to promote industry-academic integration and holistic student development.
