OUR INSPIRATION

Gangaram Govind Gawde Shri Babasaheb Gawde

Shri Gangaram Govind Gawde, affectionately known as Babasaheb Gawde, was a visionary, philanthropist, and dynamic, enterprising, and resourceful person. His urge to serve society led to his resignation from a promising career in the police department. Along with a few like-minded individuals, he founded the charitable institution of Maratha Mandir in 1945. To him and his fellow comrades, it was education that would help the country develop. In the last 78 years, the institution has remained steadfast in its commitment to education and social service. We thank him for setting up such a fine institution. Through Maratha Mandir, his spirit will live on forever.

ABOUT MARATHA MANDIR

Maratha Mandir, a charitable institution was set up in 1945. The founders named this institution "Maratha Mandir". The word "Maratha" to mean all those who consider Maharashtra as their domicile and the word "Mandir" to signify the purity of human life. It was decided that the doors would be open to one and all irrespective of their caste, creed, religion and language. The journey began with the setting up of the Bombay Education League which was merged into Maratha Mandir in 1956. The setting up of schools in Mumbai, Ratnagiri, Jat, Akkalkot, Ahmednagar, Pali and Solapur was followed by the setting up of the Management Institute in 1998. In 2008 they took baby steps in the healthcare sector.

However, alongside free legal services, skill development courses, cooking, stitching, dance and music classes were all being run parallel under the various branches of Maratha Mandir. The aim was development in some way for all.

WHY MM BGIMS

Maratha Mandir's Babasaheb Gawde Institute of Management Studies was established in the year 1998. The Institute is accredited with B++ Grade by NAAC and is approved by AICTE, affiliated with the University of Mumbai, and recognized by the Directorate of Technical Education, Government of Maharashtra. BGIMS conducts the coveted Masters of Management Studies program (MMS intake 150). BGIMS set up the Ph.D. Research Centre affiliated to the University of Mumbai in 2010.

BGIMS fosters an environment of academic excellence by imparting value-based universal education in the field of management and the dynamic and competitive culture enhances the academic, personal, and social participation of the students. Quality Management Education is imparted with a perfect blend comprising of case-study-based pedagogy along with practical result-oriented academic excellence with the aim of creating global leaders & entrepreneurs for the nation. Presentations, Group discussions seek to enhance their confidence and boosts self- initiative. Guest sessions enlighten the students on the current industry trends. Students are encouraged to write and present papers at the international conference conducted annually by the institute. At the recently concluded conference on ethical and environmental responsibility of businesses 8 of our students participated. Industrial visits followed by a small outdoor training session is a favourite with all students. To unwind and let the creative juices flow we have the annual fest MAGMA- a smorgasbord of academic, cultural and sports events.

Need-based training and certification programs like Speak out write-right, Spine Payroll Management, Basics of SPSS, Advance Excel Training, Corporate Skill Development, Pre-Placement, and many more such programs are organized for holistic development of students. The Institute has a strong anti-ragging policy and has a general code of conduct for maintaining discipline on the premises. We follow inclusivity and have a barrier-free environment.

The members of our various committees and governing bodies come on the board out of a sense of responsibility towards society and a passion to achieve our aims and objectives. Our educational institutions are open to all those who have a burning desire to make brilliant careers.

Maratha Mandir recognizes that business organizations today exist in a highly composite environment. The term VUCA describes it appropriately because the markets are Volatile, Uncertain, Complex and Ambiguous. Organizations prefer to hire qualified management professionals who are capable of overcoming the various challenges of keeping the ventures on a path of growth. We at Maratha Mandir have recognized actuality, and provide a conducive learning environment through practical and adaptable pedagogy and skill development to bridge the industry- institute gap. The MMS program emphasizes on leadership, creativity and innovation. The rise of a global knowledge economy has intensified the need for strategic partnerships. Our linkage with the industry encourages and enables our staff and students to undertake research relevant to the industry. This prepares world-class manpower in the field of management by inculcating the various skills required by the industry, thereby contributing to economic and social development at large. The basic emphasis of the MMS program is addressing the need for leadership in the industry and society. I am sure students will benefit by enrolling in Maratha Mandir's Babasaheb Gawde Institute of Management Studies.
